

Call for Papers

Dear Colleagues,

We are pleased to announce that the 18th Pacific-Rim Objective Measurement Symposium (PROMS 2023) will be held from August 28-30, 2023 at the WSU Macau Center, World Sports University (WSU), Macau SAR, China. This highly anticipated international conference will be held in-person after the COVID-19 pandemic and will feature keynote speeches, parallel sessions, poster presentations, and workshops. We invite you to submit your papers, posters, and demo proposals. For more information, please visit our website at <https://thewsu.org/en/proms-2023>

A Truly International Academic Event

The upcoming PROMS conference marks the 18th iteration of this renowned gathering in the Pacific-Rim regions and countries. Attendees will have the opportunity to exchange their research and insights with Rasch experts in a truly global setting. The conference is anticipated to draw participants from across the Pacific-Rim regions and countries, as well as beyond.

Conference Details

The conference will include a pre-conference workshop on August 28, followed by two days of conference sessions on August 29-30 at the WSU Macau Center, World Sports University (WSU), Macau SAR, China.

For further details, please visit our websites: <https://www.proms.promsociety.org> and <https://thewsu.org/en/proms-2023>.

Conference Theme for PROMS 2023

"Rasch Model: Tradition, Challenges, and Trends after COVID-19."

As the premier international venue for Rasch researchers and practitioners to share new ideas, research results, and development experiences, we welcome abstracts in all areas of research, including conceptual and empirical studies conducted with quantitative, qualitative, and mixed methods. Topics include, but are not limited to, the Rasch model or Rasch-based research.
